NOVEMBER 11, 2014 TUESDAY 12:00 P.M. VOL. 76 NO. 6

THIS TUESDAY

Photographing people has been a passion of David Taylor since the early '80s. He has photographed such luminaries as President George H.W. Bush, Governor Pete Wilson, President Bill Clinton, Michael Jackson, and well-known musicians and businesspeople. He will be speaking on "avoid being average and ordinary". He should have a great time with us.

LAST TUESDAY

Our regular Denny's was used for an election polling place so the city graciously allowed us to use the Community Room. Dave Seltman catered our delicious Italian lunch.

Our new City Manager Bryan Cook was our speaker for the day. He served in South Gate previously as Assistant City Manager/ Finance Director. He has over 15 years of municipal experience. He has a financial background taking South Gate's credit rating from BB to A-, and taking the General Fund reserve from a deficit to over \$10 million.

Bryan is excited to be working in Temple City and we are fortunate to have his skills. He is very approachable and willing to meet with our citizens. Bryan pointed out some of the attributes that attracted him here. We are a contract city, we are fiscally stable, we have a diverse source of revenue, we have a flexible contract model, strong school system, and we have political stability. Bryan sees the Council as the Board of Directors and himself as the CEO.

Mayor Carl Blum said, "Bryan was among 35 applicants who clearly stood out as the next generation of city managers who offer fresh and creative approaches to leading municipalities and the communities they serve."

Guest for the day were Linda Agajanian and Lisa Montesanti. Rich Wenzel paid for the ugly UCLA uniforms. Many guest and Kiwanians came out for the tribute to Mike Miller held at the Historical Society on Sunday, November 2. Many memories of Mike were shared by different acquaintances including old SC friends. Many thanks to Sue Mattchett, Rich and Pat Wenzel, Bob Rodenbucher, Tom McIntee, and Ron Dorazio for all their help.

You are invited to a free dinner for the Blue Star Banner Program on Friday, November 7 at 6:30 p.m.. Temple City First Baptist Church. Sharon Johnson has done an outstanding job honoring our heroes of our freedom. Our own Dan Snell will be the featured speaker with The Brighter Side Singers entertaining us.

STUDENTS OF THE MONTH

We welcomed and honored two outstanding students from Oak Avenue Intermediate School and one from Cloverly Elementary School. Accompanying the students were teachers Mrs. Jessica Gould from Oak and Mrs. Pat Wenzel from Cloverly.

Joshua is 13 years old and has a brother and sister. He enjoys playing baseball and playing the baritone in the band. Joshua said, "The best things about Oak Avenue are playing music in the band, Math class with my friends, and exercising in P.E." The best thing that ever happened was marching at Disneyland after a day of fun there. If he could change one thing, it would be to get a little taller. Personal goals are to build a concert hall named after himself at Carnegie Hall, play Major League Baseball, play Carnegie Hall, and be known as a professional.

Faith is 13 years old and enjoys baking brownies, listening to music, and hanging out with her wonderful friends. Faith said, "The best things about Oak Avenue are everyone is friendly and willing to help, the teachers are supportive of the students, and the great and peaceful learning environment." The best thing that ever happened was being surrounded by good people such as her family. If she could change one thing, it would be to educate people about the horrors of animal abuse. Personal goals are to build a homeless shelter, graduate college with a Ph.D., travel to different countries and take care of sick patients, and continue volunteering at the Union Rescue Mission.

Jose is 12 years old and enjoys basketball, reading, and Science. Jose said, "The best things about Cloverly are my friends, the teachers, and the Braille materials." The best thing that ever happened was riding a scooter for the first time; it was a lot of fun. If he could change one thing, it would be to get rid of illegal drugs. Personal goals are to build a house the size of the Cloverly library, to become a teacher someday, play many instruments, ride a bike and a horse.
