THIS TUESDAY

LAST TUESDAY

Elizabeth Dever is the House Director at the Pasadena Ronald McDonald House near Huntington Hospital.

Ronald McDonald House is more than a house. Since 2004 they have provided housing, comfort, care and support to families with children receiving treatment for serious or life threatening illnesses.

Richard Wenzel spearheads this worthwhile project for our club. We provide meals once a month to the families. Rich and his merry helpers are to be congratulated for their continued service, not only providing the meals but also paying for them. We Build, We Care, We Serve!!!

Thanks to members Dan Arrighi, Matt Smith, Bill Hohl, Mike Miller, and Jerry J for helping at the City sponsored Halloween Carnival at Live Oak Park.

Our club Christmas Party will be at the Old Spaghetti Factory on Tuesday, December 18. See the Italian duo of Steve Montesanti and Ron Dorazio for more details.

STUDENTS OF THE MONTH

We honored two outstanding students from Oak Avenue Intermediate and Cloverly Elementary School. Accompanying the students were teachers Jessica Goold and Pat Wenzel.

Nikki is 13 years old, has two younger brothers and enjoys swimming, playing Angry Birds, and hanging out with her friends. Nikki said, "The best things about Oak Avenue are the helpful teachers, my awesome friends, and the vast library." The best thing that ever happened was getting into Algebra 1 in 7th grade. If she could change one thing it would be to never go through the painful process of getting braces. Personal goals are to build homes for the homeless, get on a sports team at the high school, to get a A- or better in math every quarter, and to make more friends.

Jake is 13 years old, has an older sister and enjoys playing basketball. Jake said, "The best things about Oak Avenue are the teachers, sports programs, and my friends." The best thing that ever happened was seeing the Grand Canyon. Personal goals are to change the economy, build a public basketball court where everyone can play, get a 4.0 GPA, make the Varsity team for basketball as a freshman, and to get into a good college.

Alvin is 10 years old and in Mrs. Wenzel's class. He has two older brothers and enjoys reading and running. Alvin said, "The best things about Cloverly are the friendly students, books, the friendly and positive staff." The best thing that ever happened was being chosen Student of the Month. Personal goals are to have safer fences at school, a second computer for parts, get straight A's, learn how to cook, and lose his bad habits.

Robert is 11 years old and in Ms. Tenney's class. He has two older brothers and enjoys playing sports, collecting baseball cards, playing the piano and viola. Robert said, "The best things about Cloverly are the awesome staff, fun activities, special events, lunch on the lawn, and seeing my friends at school." The best thing that ever happened was a high-five with Matt Kemp at a baseball game. Personal goals are to stop global warming, build a underwater house, get straight A's, become an Eagle Scout, study more math and science.

VETERANS DAY

Veterans Day is an official United States holiday honoring armed service veterans. It is a federal holiday that is observed on November 11th. It coincides with other holidays such as Armistice Day or Remembrance Day, which are celebrated in other parts of the world and also mark the anniversary of the signing of the Armistice that ended World War I. (Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 with the German signing of the Armistice.)

Veterans Day is not to be confused with Memorial Day; Veterans Day celebrates the service of all U.S. military veterans, while Memorial Day is a day of remembering the men and women who died while serving.

KIWANIS KALANDAR

November 27 - Pasadena Humane Society will talk about animals in the community
