NOVEMBER 15, 2011 TUESDAY 12:00 P.M. VOL. 73 NO. 7

THIS TUESDAY

Retired Army Col. Bob Travis will talk about movies filmed at the Arboretum. This might be a repeat from a few years ago but it was good.

Many films (including Tarzan and the Bing Crosby On the Road movies), television shows, most notably Fantasy Island. The house with the bell tower, where Tattoo rings the bell, is the Queen Anne Cottage, located in the Los Angeles County Arboretum and Botanic Garden in Arcadia. The plane, "arriving" with the guests, was filmed in the lagoon behind the Queen Anne Cottage.

LAST TUESDAY

Tony Euredjian did his usual great job of giving our members another view of making room for your grandchild's new permanent teeth without orthodontics. I hope I don't offend Tony by saying that Part II was much more informative than Part I. Part III ought to be a real thriller.

We welcomed 3 members of the Monterey Park club. President Timothy Tieu, Calellia Wu, and Isabelle Woo. Bob Rodenbucher treated his wife Carole to the famous Bahooka lunch.

Mike Miller wanted to do a up-close inspection of the new towers at Arcadia Methodist Hospital. He was admitted Monday and hopes to be home on Thursday hopefully minus a blood clot in his leg.

Members attending the No Bullying Read-In at Cloverly on Monday were Rich Wenzel, Sue Matchett, Jerry Backstrom, and Jerry Jambazian. It was good to see Rich and Sue back in the classroom. It also brought back fond memories from Jerry Backstrom attending Cloverly 50 years ago.

Membership Chairman Steve Montesanti is inviting you to attend their meetings on the 1st and 3rd Thursday of the month. The time is 7:30 a.m. at Dave Seltman's Chef's Restaurant in Arcadia.

Mike Lepore needs to pay big time for selling a members home. Also, Conrad Murray trial foreman was no other than Mike and Judy Lepore's daughter Debbie Franklin. Debbie should be a great program someday if we can afford her after we pay Mike his customary 6% commission.

Henry Walpus is looking for NEW socks, t-shirts, toothbrushes and toothpaste for the annual SOCK-O-RAMA sponsored by Temple City Parks and Recreation. Please bring to the meeting.

VETERANS DAY THIS FRIDAY 11-11-11

In the USA, Veterans Day annually falls on November 11. This day is the anniversary of the signing of the armistice, which ended the World War I hostilities between the Allied nations and Germany in 1918. Veterans are thanked for their services to the United States on Veterans Day. Special thanks to the City and the Blue Star Program for installing and maintaining the 180+ personalized banners honoring our hometown heroes.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Pictured with the proud students is teacher, Mrs. Shelly Scanlan.

Armin is 11 years old and in Mrs. Scanlan's class. Armin has a younger brother and enjoys swimming, reading, soccer, karate, and computer games. Armin said, "The best things about Emperor are the good teachers, having time for reading, and long P.E.'s." The best thing that ever happened was learning karate and having his brother. Personal goals are to have no wars in the world, build a school for orphans, be a karate master, to help others and never stop learning.

Keante is 11 years and in Mr. Giangregorio's class. He has a brother and sister and enjoys bowling, math, and making new friends. Keante said, "The best things about Emperor is the quality of lunch, the best teachers, and Principal Ms. Perini." The best thing that ever happened was bowling a 210 game. Personal goals are to plant more trees, build a library with all the books of the world, get a 300 in bowling, read at least 5,000 books in his lifetime (he has already read 700), and to get all straight A's.

Sean is 11 years and in Miss Parrille's class. He has an older brother and enjoys reading, art, history, and math. Sean said, "The best things about Emperor are the good and kind staff, all my friends, and all the privileges." The best thing that ever happened was receiving the High Twelve Award. Personal goals are to make the environment cleaner, build the largest library in the world, achieve his reading goals, continue doing well in math, and do his best on everything.
