NOVEMBER 16, 2010 TUESDAY 12:00 P.M. VOL. 72 NO. 7

THIS TUESDAY

Theresa D'Andria will explain the art of acupuncture. Any volunteers?

LAST TUESDAY

True to always being a teacher, Sue Matchett gave us a wealth of information about The Bill Of Rights and all the Amendments to the Constitution.

No teacher would be without a pop quiz so Sue presented 45 questions of trivia about US history. I am sure that many of learned some new things. For instance can you name the 3 places of our Nation's Capital? First President to wear long pants? Can you name the only bachelor President? Who served the longest time as President? Who taught President Andrew Johnson the 3 R's? Can you name two father/sons to become President? By age 50 what President had all his teeth removed? What bird did Benjamin Franklin want to be our nation's official bird? "Under God" was added to the pledge of allegiance during whose administration? What two President's died on the same day in 1826? What Pacific Island did we obtain at the end of the Spanish American War? How old was the author of the Declaration of Independence?

If you got all of these correct Sue will send you to the head of the class.

Steve Montesanti would like an Interclub with the San Gabriel club next Thursday at the Hilton in San Gabriel. December 14th has been chosen for our annual club Christmas Party. Time and place to be determined. Norm Tyre paid for his son's birthday. Contact Jerry Backstrom about helping with Brush With Kindness and Habitat For Humanity. Henry Walpus still would like to collect socks for the city. Chuck Souder would like to have his health restored. Remember him in your prayers.

VETERAN'S DAY

U.S. President Woodrow Wilson first proclaimed an Armistice Day for November 11, 1919. In proclaiming the holiday, he said "To us in America, the reflections of Armistice Day will be filled with lots of pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."

The United States Congress passed a concurrent resolution seven years later on June 4, 1926, requesting that the President (Calvin Coolidge) issue another proclamation to observe November 11 with appropriate ceremonies.[2] An Act (52 Stat. 351; 5 U.S. Code, Sec. 87a) approved May 13, 1938, made the 11th of November in each year a legal holiday; "a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as 'Armistice Day'."

In 1953, an Emporia, Kansas shoe store owner named Alfred King had the idea to expand Armistice Day to celebrate all veterans, not just those who served in World War I. King had been actively involved with the American War Dads during World War II. He began a campaign to turn Armistice Day into "All" Veterans Day. The Emporia Chamber of Commerce took up the cause after determining that 90% of Emporia merchants as well as the Board of Education supported closing their doors on November 11 to honor veterans. With the help of then-U.S. Rep. Ed Rees, also from Emporia, a bill for the holiday was pushed through Congress. President Dwight Eisenhower signed it into law on May 26, 1954.

Congress amended this act on June 1, 1954, replacing "Armistice" with Veterans, and it has been known as Veterans Day since.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Emperor teacher Ms. Mary Ann Parrille accompanied their students.

Jasmine is 11 years old and in Mr. Giangregorio's class. Jasmine has an older brother and enjoys reading and drawing. Jasmine said, "The best things about Emperor are our amazing teachers, our kind Principal, the fun events and festivities." The best thing that ever happened was when she began school at Emperor. Personal goals are to end global warming, build a home for homeless people, get straight A's, to improve her physical activities, and to work harder.

James is 11 years old and in Mrs. Scanlan's class. James has two older brothers and enjoys playing basketball, video games, watching TV, and he likes to cook. James said, "The best things about Emperor are all the Apple computers, the iPads and iPods, and the great school." The best thing that ever happened is having a family that loves him. Personal goals are to change the world, build a tall building, become a A+ student, get in shape, and become really good at basketball. Congratulations to James as he has only been speaking English for 2 years.

Alex is 12 years old and in Ms. Parrille's class. Alex has two brothers and a sister and enjoys playing sports and making music. Alex said, "The best things about Emperor are my friends, the interesting subjects, and recess." Personal goals are to make more friends, have world peace, build a vacation spot in the sky, travel the world, go to college, and have a good life.
