NOVEMBER 17, 2009 TUESDAY 12:00 P.M. VOL. 71 NO. 7

THIS TUESDAY

As we just honored our veterans who protected our freedom we will welcome Doreen Hartley, a benefits counselor for the County of Los Angeles will speak about programs and services available. We will also honor outstanding students from the Dr. Doug Sears Learning Center.

LAST TUESDAY

Susan Schlaeger is the new manager of our County Library here in Temple City. In the month of September the Library checked out 18,000 books, 5,600 movies, and over 500 children in attendance for story time. Non-fiction books are the most checked out by adults. You are allowed to use the computers for free for 1-2 hours per day. Everything you could ever want can be found at their website www.colapublib.org

We can thank Supervisor Antonovich for using his discretionary funds to keep our Library open 6 days a week with better hours.

We were visited by Tony Tyre, Ron Dorazio, Cheryl Robuck, and prospective member Jerry Backstrom. Jerry has been approved to go to Kiwanis Education. Hopefully we will induct Ron soon.

K-KIDS AT CLOVERLY

Richard Wenzel reports that 12 Cloverly students (grades 4-6) went from class to class demonstrating how to write letters, what to say, and what not to say in a letter. The students created 3 mailboxes on campus. The purpose of the letter writing campaign was to send letters to soldiers in Afghanistan and Iraq. They were fortunate to collect over 265 letters. The letters were delivered to Sharon Johnson of the Blue Star Program who will in turn send to our troops.

SOCK-O-RAMA AND MORE

Sock-O-Rama & More is requesting donations of NEW men's white socks, t-shirts and boxers and NEW socks for women and children. Foothill Unity Center and New Beginnings Family Church have been chosen as this year's community donation recipients benefiting homeless and low income families.

John Chandler is heading this up for our club and has reported that we had 100% participation by our membership last year in this worthy project. Please bring your donations to any club meeting up until December 8th.

STUDENTS OF THE MONTH

We honored three great students from Emperor Elementary School. They were accompanied by 6th grade teacher Mr. Greg Giangregorio.

Janelle is 11 years old and in Mr. Giangregorio's class. Janelle has two brothers and enjoys basketball, flag football, pentathlon, and her sense of humor. Janelle said, "The best things about Emperor are the great staff, and the exciting assemblies." The best thing that ever happened was when she first met her coach who encouraged her in sports. Personal goals are to build an amusement park with the scariest rides, get straight A's, go to college, and become a pediatrician.

Ryan is 11 years old and in Mrs. Scanlon's class. Ryan has a younger brother and enjoys school, books, computers, and games. Ryan said, "The best things about Emperor are the staff, teachers, and students." The best thing that ever happened was getting all A's for the first time in his life. Personal goals are to build a museum of all the video games in the world, get good grades, have a healthy life, and get better at his weaknesses.

Ivan is 11 years old and in Miss Parrille's class. Ivan has three sisters and enjoys playing football, skating, and going camping with his family. Ivan said, "The best things about Emperor are my teachers, the playground, and the great Principal." The best thing that ever happened was getting a baby sister. Personal goals are to invent a new flavor of soda, become a good football player, do good in school, and become a Marine Biologist.
