"THE CAMELLIA CLUB"  
TEMPLE CITY CALIFORNIA  
Chartered August 8, 1939

**NOVEMBER 17, 2015 TUESDAY 12:00 P.M. VOL. 77 NO. 7**

## THIS TUESDAY

Kiwanis ambassador Jimmy (Webster Webfoot) Weldon will his his patriotic "Tattered, but Triumphant."

## LAST TUESDAY

Peter Chow is a Financial Advisor with Edward Jones. His topic was making sure our money outlasted our retirement. As an advisor he believes it's important to invest his time to understand what you are working towards before you invest your money.

The topics of interest are retirement, education planning, life events, eldercare, estate planning, and financial basics. The four questions about the Fed and Interest Rates were What is the Fed, Why does the Fed change interest rates?, Does the Fed control interest rates?, and What should we do?

The rate of inflation is about 3%. Our savings earn less than 1%. College inflation is about 5% a year. Peter and his wife are looking forward to their first child. By the time he or she goes to college it may well cost \$140,000 a year.

We received a thank you letter from Mike Koski for providing bicycles and candy for the Halloween Carnival. Rich and Pat Wenzel are the proud grandparents of Delilah born to their son and daughter-in-law. Immediately, everyone broke out in the Tom Jones hit Delilah. Rich Wenzel is busy collecting 45 turkeys to be given to local needy families. 15 each from Assemblymember Ed Chau, Senator Ed Hernandez, and Congresswoman Judy Chu.

## STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the happy students was teacher Roxanne Trieu enjoying her first year at Emperor.

**Crystal** is 11 years old and in Miss Trieu and Mrs. Geis' class. She has an older brother and enjoys drawing, animated art, playing the viola, and writing novels. Crystal said, "The best things about Emperor Elementary are the awards of character instead of academics, the student council invites everyone to join, and the staff always tries to help our students." The best thing that ever happened was being tutored in writing and it sparked her interest to write novels. If she could change one thing it would be to cure all major sicknesses. Personal goals are to build a shelter for the homeless and hungry, to be first row viola, finish the novel she is writing, and become faster at running.

**Taylor** is 11 years old and in Mrs. Scanlan's class. She has two younger sisters and enjoys all sports, music, and art. Taylor said, "The best things about Emperor Elementary are the teachers are really nice, the great opportunities such as robotics, and it is a lot of fun." The best thing that ever happened was getting her cat Darius. If she could build one thing it would be a jet pack so she could fly. Personal goals are to get straight A's, have great character, and to have fun.

**Ashley** is 11 years old and in Mr. Giangregorio's class. She has an older brother and enjoys playing tetherball, playing the flute and piano. Ashley said, "The best things about Emperor Elementary are the awesome teachers, the nice students, and learning new things everyday." The best thing that ever happened was going to San Francisco for the first time. If she could change one thing it would be to have world peace. Personal goals are to build a time machine, get straight A's, get better at the flute, and to stay healthy.
