NOVEMBER 18, 2014 TUESDAY 12:00 P.M. VOL. 76 NO. 7

THIS TUESDAY

Our speaker this Tuesday is Lyle Umenhoffer. He is a World War II veteran along with our own Dan Snell. They both will be Honorary Grand Marshals in the 2015 Camellia Festival in February. Lyle served on the USS Indianapolis.

LAST TUESDAY

Photographing people has been a passion of David Taylor since the early '80s. He has photographed such luminaries as President George H.W. Bush, Governor Pete Wilson, President Bill Clinton, Michael Jackson, and well-known musicians and businesspeople. To get stellar results from a personal photo session, Taylor focuses not only his camera but also his gift for sensitivity and communication, making his subjects feel at ease.

He motivates people as he alleviates any stress they might feel at the portrait session. He gently persuades them that the experience will be a happy one. And it is! Taylor realized early in his career that he had the twin gifts of sensitivity and the ability to help people grow. Thus, a second passion came into his life—a passion to assist people toward understanding and feeling good about themselves every day in every way. The thing we need to do is do 10% more than we think.

Marie Leonard and Lauren Worsley were also in attendance. Lauren is a Relay For Life specialist with the American Cancer Society. Our speaker ended a little early so President Matt began a discussion on increasing membership. Many ideas were presented with Lauren helping us with her marketing viewpoint. Her suggestions and comments were greatly appreciated.

NEWS AND OPPORTUNITIES

President Matt thanked the Halloween helpers at Live Oak Park. Dan Arrighi has agreed to fill a vacancy on the Board of Directors. There will be a general membership vote at the November 25 meeting.

Elmer Black would like visits and phone calls. If he does not answer leave your name and phone number along with the date and time you called.

President Matt continues to make a major dent in his fine budget. Pretty sad...his trivia questions are all Kiwanis history that we should know. The trouble is none of us can remember what we had for lunch yesterday.

Our Cub Scout pack wishes a few of us to cook hamburgers for them on the 13th of December (a Saturday). We would arrive at about 11:30 and be done when we're finished! We will use a gas grill so we don't need to mess with hot briquets. See Jim Robuck for more details.

Ron Dorazio paid for his club anniversary and also for his daughter Debbie's successful back surgery performed by the same doctor who relocated my hip.
