## THIS TUESDAY

Carole Rodenbucher will talk about the Daughters of the American Revolution.

## LAST TUESDAY

Former member, teacher, and President Janice Murasko was our featured speaker. Janice is a nationally certified clicker trainer and has opened Mountain Pawlytechnic in the mountain community of Idyllwild.

Clicker training is the use of a small, handheld clicker, which serves as a marker signal. It is a science-based system for teaching behavior. Trainers, like Janice use a marker signal (the sound of the clicker) to tell the animal when it's doing the thing that will pay off (a treat).

In traditional training, the trainer tells an animal what to do, makes that behavior happen, even with force if necessary. It rewards good results, and punishes mistakes. In clicker training, the trainer watches for the desired behavior, marks the instant it happens with a click, and pays off with a treat.

## STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher Miss Mary Ann Parrille.

**Sydney** is 11 years old and in Miss Parrille's class. She has a younger brother and enjoys dancing, violin, sleepovers, reading Percy Jackson books, kittens, writing, and Pandas. Sydney said, "The best things about Emperor are creating memories, the good teachers, and making good freinds." The best thing that ever happened was getting her cat Percy. Personal goals are to build a treehouse, be a good dancer, read lots of books, and always be a good friend.

**Mercy** is 11 years old and in Mrs. Scanlan's class. She has a brother and sister and enjoys swimming, reading, learning new things, minecraft, piano and violin, legos, knitting, sewing, and running. Mercy said, "The best things about Emperor are making new friends, teaching and being a mentor to first graders, and doing projects." The best thing that ever happened was being baptized at her church. Personal goals are to build a lego factory, do her best in school even if she does not get straight A's, improver her reading comprehension skills, and become a better writer.

**Andrew** is 12 years old and in Mr. Giangregorio's class. He enjoys drawing, building and painting models, football and baseball, scouting, and music. Andrew said, "The best things about Emperor are the amazing teachers, the wonderful Principal, the fun assemblies, parties, and activities, and the character building qualities." The best thing that ever happened was wining 3rd place in the Coastal America Ocean Art Contest. He also met President George Bush, Sylvia Earle, and Jim Toomey in Washington DC. Personal goals are to build an eco-friendly park for Temple City that contained an aquarium, a nature center, and pond. Also he would like to make his time at Emperor last longer, get a scholarship to a good college, travel the world, become a better artist, and make a animated film.

## OTHER EXCITING ITEMS

The city is not conducting the Sock-O-Rama this year but we decided to pick up the project. Under the direction of Henry and Linda Walpus with help from the little elf, AKA Richard Wenzel the program continues. We will be collecting socks, underwear, and toothpaste to benefit the Foothill Unity Center and Department of Veteran Affairs.

Thanks to super member Rich Wenzel who not only heads up the Meals of Love for Ronald McDonald House but also takes care to procuring and distributing turkeys for needy families within the School District.

The Board voted to adopt Friends of Foster Children as an ongoing project. The first event is the "Sugar Plum Trees". Volunteers are needed at trees in the Santa Anita Mall from after Thanksgiving until December 16. Please contact Bob Rodenbucher to schedule a time to volunteer at this great holiday event.

The December 10 meeting will not have a speaker. We will be having an open discussion about our 75th Anniversary that will be celebrated next year. All members are urged to attend.

## QUOTE OF THE WEEK

"The people I distrust most are those who want to improve our lives but have only one course of action." -- Frank Herbert
