THIS TUESDAY

Devi Bhatti is the Robotics Coach of the Jurassic Jaguars. Devi is an electrical engineer by profession and currently works in the avionics department at NASA JPL in Pasadena. She is coaching the robotics team Jurassic Jaguars, headquartered at Longden Elementary School.

LAST TUESDAY

Mike "Cruise" Lepore sold 4 million in real estate just last month and decided he needed to take his 60th cruise. Mike is really in favor of cruising the seas and describes it as the best vacation you can get for the money. Mike said 2-3 companies own all the cruise ships. Mike says cruising is better than staying home especially when Judy is along.

Walter Chu paid a visit again and is being educated about Kiwanis. People For People is in business again after losing \$20,000 funding from the city of Rosemead. Kiwanis of Rosemead made a \$3,000 donation that will keep them afloat for a little while.

Sign up for Kiwanis Rose Float "dry decorating" on December 1, 8, 15, and 22. Volunteers are needed to serve dinner to the float workers from December 26 to 31. Don't forget Sock-O-Rama and Santa's Paws and Claws by December 10.

Pasadena Kiwanis is sponsoring lunch with International President Tom DeJulio on Saturday, December 29 at \$45 a plate.

Thanks to Fernando Vizcarra and Ed Chen for Athens donation of 16 turkeys fresh off the trucks. Congresswomen Judy Chu will donate 6 turkeys fresh from the turkeys in Washington.

STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Accompanying the students is teacher Mr. Greg Giangregorio.

Jakob is 11 years old and in Mrs. Scanlan's class. He has a younger sister and enjoys playing hockey, reading, and science. Jakob said, "The best things about Emperor are learning about ancient earth, P.E., and learning new ways to do math." The best thing that ever happened was getting his baby sister. Personal goals are to not have any terrorist, build a monument to his elementary school, get into a good college, get good grades, and be a better person.

Brianna is 10 years old and in Miss Parrille's class. She has two sisters and enjoys swimming, playing with her dog, and singing. Brianna said, "The best things about Emperor are the wonderful teachers, fantastic friends, and the fun activities." The best thing that ever happened was going to Yellowstone, Mount Rushmore, and Zion National Park. Personal goals are to stop world hunger, build a teleporter, spend money wisely, get into a good college, and continue to get good grades.

Kayla is 11 years old and in Mr. Giangregorio's class. She has an older brother and enjoys playing tennis and basketball. Kayla said, "The best things about Emperor are the wonderful teachers, technology, and the friendly people." The best thing that ever happened was being student of the month. Personal goals are to build houses for the Sandy hurricane victims, become a successful doctor, read at a high level, and get straight A's for the rest of her life.

LETTER FROM EMPEROR STUDENT

We received the following letter from David Lopez, last month's Student of the Month from Emperor. "Dear Kiwanis Club, I am glad that I participated in your Club. You guys put a lot of hard work into making a better community. You give kids someone to look up to. You guys show leadership. When I knew what you guys did I said in my mind these are people who stick to their wishes to help our community. Thank you for making this place a better community. Sincerely, David Lopez."

KIWANIS KALANDAR

November 27 - Pasadena Humane Society will talk about animals in the community

December 6 - Lights On Temple City

QUOTE OF THE WEEK

"I think that the man with a helmet defending his country should make more money than a man with a helmet defending a football." -- Jerry
