NOVEMBER 22, 2011 TUESDAY 12:00 P.M. VOL. 73 NO. 8

## THIS TUESDAY

Former Cloverly teacher Linda Quick will speak about keeping art in education. Linda will also talk about glass jewelry.

## LAST TUESDAY

Bob Travis is a retired US Army Colonel with over 30 years of service. He has been a volunteer at the Arboretum for 15 years as a member of the speaker's bureau. He resides in Arcadia and his favorite hobby is the same hobby as his friend, John Chandler, Model A Fords.

Bob was with us several years ago presenting a pictorial review of all the movies that have been filmed at the Arboretum. The first motion picture was filmed at the Arboretum in 1937. It sits on 127 acres of beautiful tropical greenery which makes it a natural for the film industry.

Steve and Lisa Montesanti reports that their daughter Stefanie has graduated Le Cordon Bleu and immediately is \$50,000 in debt. President Rich and his team will distribute 6 Thanksgiving turkeys to each school. Henry Walpus would like you to bring NEW socks and t-shirts for men. Socks for women and children. Toothbrushes and toothpaste. We want to break our record 168 items donated last year. Please do your part.

Kathy Perini reports that her dad, Honorary Member Bill Perini has been in and out of the hospital for the last 7 weeks diagnosed with anemia and a heart condition. He has had 4 transfusions. Kathy asked us to keep Bill in our prayers. He is a great and caring gentleman.

## KIWANIS INTERNATIONAL ELIMINATE PROJECT

With The Eliminate Project, Kiwanis International and UNICEF have joined forces to eliminate maternal and neonatal tetanus. This deadly disease steals the lives of nearly 60,000 innocent babies and a significant number of women each year. The effects of the disease are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch.

To eliminate MNT from the Earth, more than 100 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take US\$110 million — and the dedicated work of UNICEF and every member of the Kiwanis family. A donation of \$2 is enough to provide 3 women with the tetanus vaccine.

Kiwanis and UNICEF joined forces to tackle iodine deficiency disorders, achieving one of the most significant public health successes of the 20th century. Now, they are eliminating MNT from the face of the Earth. And in doing so, the project will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families.

## STUDENTS OF THE MONTH

We honored Tyler Bates from the Dr. Doug Sears Learning Center. Pictured with the proud students is teacher, Mr. Reggie Rios.

Tyler is 18 years old and in Mr. Rios, Mr. Patterson, and Mrs. Robert's class. Tyler has two sisters and enjoys playing basketball and cars. Tyler said, "The best things about the Learning Center are the caring, respectful, knowledgeable and supportive teachers, basketball, and music production class with Mr. Rios." His favorite memory is camping with his family and friends. Personal goals are to stop adding of dangerous toxins and chemicals to our food and water supply, be healthy, finish college, be successful enough to support himself and his family.

## KIWANIS KALANDAR

November 17 - DCM meeting at Live Oak Park

November 22 - Former Cloverly teacher Linda Quick will talk about making jewelry from glass.

December 20 - TBA

December 27 - Key Club will conduct the meeting. Bring \$\$\$

## QUOTE OF THE WEEK

"Society, my dear, is like salt water, good to swim in but hard to swallow."  
- Arthur Stringer

See you Tuesday, Jerry
