**NOVEMBER 23, 2010 TUESDAY 12:00 P.M. VOL. 72 NO. 8**

## THIS TUESDAY

Division 10 Secretary Mario Manzano will speak to us about the Lincoln Training Center.

## LAST TUESDAY

Our own member Therese D'Andria (Tee) explained the ancient art of acupuncture. She began her talk by thanking the Veteran's in the club. Tee just returned from Haiti, that should promise to be an excellent program also.

Tee had a well rounded life with degrees in Economics, and Geology. She did not believe in acupuncture at first but after receiving training and studying in China she sees the benefits. Tee's business name is Integrated Health Services, she has two offices and really gets to know her patients well.

We had 4 Tyre's at our club meeting, Steve Monica, Tony, and Norm. I will not do the joke about a flat tire. Elmer Black paid \$\$ for joining the club 42 years ago. John and Sue Chandler just returned from Hawaii. Henry Walpus reports that we now have 154 pairs of socks for the City's Sock-O-Rama. Our bulletin can not win any awards because we don't use the correct K logo but our club received the Division 10 Club of the Month for our Public Relations. We could not have done it without the continued cooperation of Temple City Tribune, Temple City Life, Mid Valley News, and the TCUSD. I can write all this good stuff but it won't make a bit of difference unless they print it. Thank You!!

Listen up Program Chairman - Dan Snell is the poster child for this important position. He has provided me with ALL his programs for December, WITH bio's of ALL his speakers in advance.

## CHUCK SOUDER UPDATE AS OF WEDNESDAY

"I saw my dad last night and he told me that he and my Uncle Max (Chuck's brother) had spoken with the surgeon this morning to explain why the procedure did not work. The main reason was because he still had food in his stomach, then they talked about when he would have the procedure performed again. From what I understand from my dad and my Uncle Max is that the surgeon wants to perform the procedure tomorrow, didn't give a time, but feels that my dad has recovered well from the last procedure. So the doctor has him drinking some type of drink that will clean out his system for the procedure tomorrow. As soon as I know what has happened I will let everyone know how it went. My dad is in the Step Down Unit at Kaiser in room 2309 if you wanted to go and see him tomorrow before the procedure, also if you could let the rest of the Kiwanis know what is going on I would appreciate it and I know that my dad will too. I know that his phone is turned off at the moment so that he can get some rest, but if you have any questions you can call me either at the house and I will call you back and or I will check my dad's e-mail each night. Thanks for the prayers from everyone." April

## STUDENTS OF THE MONTH

We honored two outstanding students from the Dr. Doug Sears Learning Center. Pictured with the proud students are teachers Mr. Sean Patterson, Mr. Gerald McKinnis, and Principal Stephen Edo.

Thayer is 17 years old and in Mr. Jahan's, Mr. Patterson's, Mrs. Robert's, and Mr. Rios class. Thayer has a younger sister and enjoys playing the guitar, animation, drawing, videogames, and his friends. Thayer said, "The best things about DDSLC are the teachers, my schedule, and receiving a great education." The best thing that ever happened was meeting his best friend Lance. Personal goals are to build strong faithful families, get better at playing the guitar, improve his drawing skills, and read the Bible more often.

Korina is 17 years old and in Mr. Jahan's, Mr. Patterson, and Mr. Rios class. Korina has a younger brother and enjoys riding horses, and the Air Force. Korina said, "The best things about DDSLC are learning at my own pace, the small school setting so I can focus better, and the great teachers." The best thing that ever happened was when her brother was born. Personal goals are to build a house for poor people, join the Air Force, learn more about horses, and to be with her brother as much as possible.
