"THE CAMELLIA CLUB"
TEMPLE CITY CALIFORNIA
Chartered August 8, 1939

NOVEMBER 27, 2007 TUESDAY 12:15 P.M. VOL. 70 NO. 48

THIS TUESDAY

The Hand Bell Choir from Thompson School in El Monte will be our special guest. These gifted 1st thru 6th graders are orthopedically disabled and will entertain us. Some of the students will be in wheel chairs. **John Gera and Sue Matchett highly recommend this program, so you are encouraged to bring your spouse or significant other.**

LAST TUESDAY

Phyllis Howard and Carol Dennis were representing an interesting program just for girls called "Tech Trek" sponsored by American Association of University Women. So many times special programs are for the boys only. This Science Camp is just for girls that takes place for 1 week. About 90 7th grade girls from various schools attend Whittier College and see what dorm life is like for 1 week.

Sami Jakeway (former Kiwanis Student of the Month), and Michelle Cao were the two who attended from Oak Avenue School. Oak Avenue Principal Mr. Lawton Gray was also on hand to lend his support of this worthwhile project.

Tech Trek is a math/science camp designed to develop interests, excitement and self-confidence in young women who will enter eighth grade in the fall. It features hands-on activities in math, science and related fields. All sleeping, eating, instructional and recreational facilities are located on a university campus where the camps are held.

STUDENTS OF THE MONTH

We were pleased to honor a student from the Community Learning Center Independent Study program. Sophie Jaramillo had a scheduling conflict and could not attend but we nonetheless honored her. Pictured with Dayna are CLC teachers Ms. Lois Billings and Mrs. Yvonne Rivera.

Dayna Murset (pictured with her son Ryan) is 17 years old and in Mrs. Rivera's class. Dayna enjoys styling hair and spending time with her son. The best things about CLC are her teachers, the schedule, and the environment. Goals are to build a low cost child care center, graduate High School and beauty school, and open her own beauty salon

Sophie Jaramillo is 16 years old and in Mrs. Rivera's class. Sophie enjoys writing short stories, listening to music and taking pictures. Sophie stated, "the best things about CLC are there are only three small buildings, so I can't get lost, the faculty are nice and it's not crowded. Personal goals are to build a time machine, get into a good college, graduate from High School with honors, and improve her SAT scores.

OTHER HAPPENINGS

Mike Lepore is again touting the University of Hawaii winning season. He wants you to know they will be playing Friday night at 6 p.m. on ESPN2.

A BIG THANK YOU to Mr. Happy #2 Bob Tyler for shopping and delivering 17 Thanksgiving turkeys to La Rosa Elementary School and the Community Learning Center. Temple City Kiwanis continues to brighten many needy families.
