Z-Sushi, Garfield & Huntington

T. C. KEY CLUB - 12:30 P. M.
T. C. High School, Rm 407

DECEMBER 1, 2009 TUESDAY 12:00 P.M. VOL. 71 NO. 9

THIS TUESDAY

Sue Matchett will present a slideshow of her recent trip to Israel. If it is half as good as her presentation of her trip to China, we are in for a treat.

We will officially welcome Jerry Backstrom

We will also honor outstanding students from Oak Avenue and Cloverly.

LAST TUESDAY

An extremely interesting program presented by Susan Howland that has affected all of us in some way. Alzheimer's Disease has been officially diagnosed for about 100 years. We learned the difference between dementia, senility, and Alzheimer's. Susan became a spokesperson for the Alzheimer's Association after caring for a grand parent with the disease.

If you reach the golden age of 85, 47% will have or begin the effects of the disease. You have a lifetime risk of 7% for the disease which begins with depression and withdrawal.

Some "mental gymnastics" you can do to help slow the disease are 1) increasing mental activity; 2) physical exercise; 3) nutrition; 4) social engagements.

Lisa Montesanti helped Steve conduct the meeting. Matt Smith was congratulated for being re-elected to the School Board as the top vote-getter. President Steve would like help decorating for the Christmas Party at Live Oak Park on December 8th at 10:00 a.m.

35 turkeys were delivered to the School District for distribution to needy families. Many thanks to committee members who made this happen, Doug Sears, Dan Snell, and Rich Wenzel.

Chuck Souder should be home from the hospital today (Wednesday). He reports that he is feeling much better now after a battery of tests. Chuck has a severe case of cellulitis, very painful. Steve Tyre reports that the results came in and one son is an attorney and one son is almost there. Congratulations!!

SOCK-O-RAMA AND MORE

Sock-O-Rama & More is requesting donations of NEW men's white socks, t-shirts and boxers and NEW socks for women and children. Foothill Unity Center and New Beginnings Family Church have been chosen as this year's community donation recipients benefiting homeless and low income families.

John Chandler is heading this up for our club and has reported that we had 100% participation by our membership last year in this worthy project. Please bring your donations to any club meeting up until December 8th.

STUDENTS OF THE MONTH

We honored three outstanding students from Longden Elementary School. Accompanying them is their teacher Mrs. Katy Korsavong-Yi.

Dantin is 11 years old, has 2 older brothers and enjoys performing magic, playing baseball, and the guitar. Dantin said, "The best things about Longden are hanging out with all my friends, all the assemblies, and the science class." Dantin also said, "The best thing that ever happened was traveling to different places and states." Personal goals are to find a cure for cancer and cure diseases, build something that predicts the future, get good grades, and to be wealthy.

Ivan is 11 years old, has a younger brother and enjoys playing soccer and reading. Ivan said, "The best things about Longden is the great computer lab with high-tech equipment, the teachers are kind and friendly, and the great environment." Ivan also said, "The best thing that ever happened was being chosen as November's Student of the Month." Personal goals are to find to build a foundation to help kids in need, get straight A's the rest of the year, keep getting on the honor roll, and he would like to play for a big name soccer club.

Kate is 10 years old, has three brothers and sisters and enjoys art, swimming, and sports. Kate said, "The best things about Longden are the teachers and school carnival." The best thing that ever happened was making all the great new friends. Personal goals are to become a marine biologist scientist, get better at math, and become better at sports.

KIWANIS KALANDAR

December 8 - Joint Christmas Party with Seniors and Maryvale at Live Oak Park - 12 Noon

December 9 - Lights On Temple City at TC Park, 5-8:30 p.m.

December 15 - Club Christmas Party at Steve & Lisa Montesanti's

QUOTE OF THE WEEK

"The government's view of the economy could be summed up in a few short phrases: If it moves, tax it. If it keeps moving, regulate it. And if it stops moving, subsidize it." - *Ronald Reagan*

"Our government reports that the Postal system is on track to lose 3.8 billion this year. They did such a good job that now they want to take over healthcare, go figure" - *Jerry Jambazian*

See you Tuesday, Jerry
