## "THE CAMELLIA CLUB"

TEMPLE CITY CALIFORNIA

Chartered August 8, 1939

DECEMBER 7, 2010 TUESDAY 12:00 P.M. VOL. 72 NO. 10

### THIS TUESDAY

Dan Maljanian will speak about The Convalescent Aid Society. You might notice that his last name ends with "ian" which means we might exceed the limit of Armenian's in one room if your favorite dry cleaner, dentist, and Longden teacher show up.

### LAST TUESDAY

A very interesting program provided by Sue Matchett consisting of Don and Judy Lloyd and their guide dog Norwalk. Don has been living with muscular degeneration for the last 10 years. Don is in love with his guide dog Norwalk and it shows. Don also brought some of his amazing carvings in wood. He does all this with a little sight in one corner of his right eye. I would love to tell you more about Don but I want to devote more space to our beloved Chuck Souder.

From Rich Wenzel: "I would like to thank Doug Sears for helping with the turkeys this year. They were delivered to all the schools. Cloverly students collected food and then I distributed the turkeys and food to the needy families. This year, there were tears in the eyes of some of the recipients. Also, thanks for all the people helping with Meals of Love for the Ronald McDonald House."

Doug Sears distributed magnets to us that we helped fund for Safe Schools, Safe Communities. Steve and Lisa Montesanti are planning our Annual Club Christmas Party on Tuesday evening, December 14th at the Old Spaghetti Factory in Duarte. More information next week.

It is with a deep deep sense of sadness that I report we have lost a great man. Chuck Souder went home to be with the Lord on Wednesday, August 24th at 3:30 p.m..

I have known Chuck for a long time but I finally realized he was the real deal when we had a municipal election about 6 years ago and all the candidates were lined up in a public forum setting at the High School and the question was asked of all the candidates, "Temple City Kiwanis is one of the last remaining service clubs in town, do you think it is important for a city councilmember to be a member of a service club?" Chuck was the only one who answered with a YES whether he won or lost. He lost, **WE WON**, he joined our club on April 19, 2005 and became a distinguished President in 2008.

Chuck loved Temple City very much and served it well with being on the City Council for 9 years and as Mayor twice. He also was on the Planning Commission, Sister Cities, past Camellia Festival Chairman and treasurer. His biggest accomplishment was playing Santa in his custom made suit to thousands of children through the years at Lights On Temple City. He would ride in the parade and listen attentively to each child's request. Even though it officially ended at 8 p.m. he would not go home until the last child came through, often after 9. I have taken thousands of photos of Chuck through the years. This year will be especially difficult.

### STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School. Pictured with the proud students 6th grade teacher Mrs. Pat Wenzel.

Jackie is 11 years old and in Mrs. Stoke's class. He has 3 older brothers and sisters and enjoys playing basketball, video games, computers, and reading. Jackie said, "The best things about Cloverly is being able to play basketball on the great field." The best thing that ever happened was having a new friend. Personal goals are to have world peace, build a basketball court, become a NBA player, complete college, and to get straight A's.

Justin is 11 years old and in Mrs. Boyd's class. He has younger sister and enjoys swimming, basketball, snowboarding, and traveling. Justin said, "The best things about Cloverly are the awesome teachers, respectful students, and many good programs such as the KC Keepers Club." The best thing that ever happened was traveling to the Bahamas, Alaska, and Hawaii. Personal goals are to have smaller class sizes at Cloverly, build a machine to cure diseases without harming the body, get into a good college, to compete in the Olympics in swimming, and to travel the world.
