**DECEMBER 9, 2014 TUESDAY 12:00 P.M. VOL. 76 NO. 10**

## THIS TUESDAY

Guess who the Program Chairman is for December?. None other than "I'm workin' on it #2" Jim Robuck. If he keeps this up he could move into the "I'm workin' on it #1" position.

## LAST TUESDAY

Jim Robuck displayed his guitar and singing talents with us. At the young age of 11 his mother encouraged him to play an instrument. He saved his money and bought a \$300 guitar. It was a good thing that Elmer Black was not there as Jim does not play country music. Jim played a great number called "Right Field". It would make a great song to play at a Little League opening.

Dan Arrighi was in attendance to make sure the vote went his way. Dan graciously agreed to serve a vacant position on the Board of Directors.

Local realtor Watson Gan made a surprise appearance. I think he heard we had no program and was ready to correct any possible misinformation from the previous week with Mike Lepore.

## STUDENTS OF THE MONTH

We welcomed two outstanding students from Cloverly Elementary School. The students were brought by long-time TCUSD teacher Ms. Krista Carlson.

Isabel is 11 years old and in Mrs. Stokes' class. She has a younger sister and enjoys drawing and designing. Isabel said, "The best things about Cloverly are the great, nice teachers, the big library, and the big grassy field." The best thing that ever happened was being chosen as Student of the Month. If she could change one thing, it would be to have reusable trays in the lunch area. If she could build one thing, it would be a tall tower. Each level is a classroom that educates students. Personal goals are to become an author, an artist, and play the violin better.

Ysabella is 11 years old and in Ms. Carlson's class. She enjoys soccer, dancing, singing, riding ATV's, cooking, drawing, spirit rallies, gymnastics, swimming, painting nails, and doing hairstyles on people. Ysabella said, "The best things about Cloverly are the Spirit Days, field trips, the teachers are nice, and the various clubs such as KCKeepers, Student Council, Chess Club, and Chorus." The best things that ever happened were getting her dog in 2008, her baby cousin in 2012, getting her iPad Touch in 2013, and the CIMI trip. If she could change one thing, it would be to have no bullies and bad people. Personal goals are to build a robot to help people, get good grades, go to a good college, make as many friends as possible, make sure she does not get referrals, and turn in her homework on time. (I think referrals are not good.)

## SECRET SANTA

There is a family in Temple City that will not be having a normal Christmas this year. This family has helped other people in Temple City many times without regard to themselves. They have experienced some unexpected reverses this year. The Board of Directors graciously decided that our club would help. If you are attending our club Christmas Party at the Old Spaghetti Factory on December 16 please bring a gift card or cash for K-Mart, Walmart, or Target. It is not only the season of remembering the birth of our Savior but the season of giving.
