THIS TUESDAY

This will be our last regular meeting for this year. Club Christmas Party on December 18. No meetings on Christmas and New Year's with both being on Tuesday. Program for the day will be Alice Sue, she will be speaking on Chinese Culture TV Programs.

LAST TUESDAY

Matthew Wong has been appointed as a Parks & Recreation Commissioner since January 2012. He is a graduate of Temple City High School, UC Davis grad with a Bachelor's degree in political science and Asian studies. Matthew is now attending USC going for his Master's. Matthew might be a candidate for City Council.

Sign up for Kiwanis Rose Float "dry decorating" on December 1, 8, 15, and 22. Volunteers are needed to serve dinner to the float workers from December 26 to 31. Jerry Backstrom and Rich Wenzel helped on the 1st. Pasadena Kiwanis is sponsoring lunch with International President Tom DeJulio on Saturday, December 29 at \$45 a plate.

Key Club is sponsoring Project Eliminate Coin Carnival at Temple City Park on December 16 from 2 to 5 p.m. They are asking for our help in the various game booths.

Walter Chu has completed education and voted into membership. He will be inducted at our Christmas Party on December 18. This only happens once every 824 years. The Chinese call it the Money Bag. This month of December has five Saturday's, five Sunday's, and five Monday's. This will not happen again for 824 years. I probably will not be here to find out.

Congratulations to Henry Walpus and our members for another record breaking year for Sock-O-Rama and Santa Claws and Paws. 172 pairs of socks, 26 toothbrushes, 36 toothpaste, and 11 T-shirts.

Board Meeting Action: As a thank you to the member participants of Ronald McDonald Meals of Love our club will be picking up the tab for our Christmas party. A gift card in any amount will be appreciated as we help two needy families. Please bring to the Christmas party at The Spaghetti Factory.

Thanks to the work of Dan Arrighi, Jerry Backstrom, and Rich Wenzel our Club distributed 36 turkey's to needy school families in Temple City.

STUDENTS OF THE MONTH

We honored two outstanding students from Cloverly Elementary School and two from Oak Avenue Intermediate School. Accompanying the students were teachers Mrs. Marta Bourjelli and Mrs. Pat Wenzel.

Eugene is 12 years old and in Mrs. Andrea Saldana's class. He has an older brother and enjoys playing sports, basketball and football. Eugene said, "The best things about Cloverly are the great teachers, fun activities, and the safe environment." The best thing that ever happened was winning the MVP award and championship of his basketball league. Personal goals are to change the healthcare system in our country, have world peace, graduate from a university, become successful in whatever career he has, and become a professional athlete.

Tabitha is 11 years old and in Mrs. Sally Stoke's class. She enjoys swimming and reading mystery books. She is a member of the El Monte Shark's Aquatic Club. Tabitha said, "The best things about Cloverly are the great teachers that make me feel a part of a family, all my friends that comfort me when I'm not happy, and the great field trips." The best thing that ever happened was being adopted from China into a loving family. Personal goals are to build a time machine to see how life was in colonial times, go to the Junior Olympics in swimming next year, read the Bible from beginning to end, do better in schoolwork and grades.

Noah is 13 years old, has three sisters and enjoys playing soccer, baseball, basketball, and spending time with his friends. Noah said, "The best things about Oak Avenue are the great teachers, school spirit, the Mavericks and Voyagers." The best thing that ever happened was going from Cloverly to Oak Avenue. Personal goals are to have a cure for certain diseases, a restaurant that serves all the food known to mankind, be on the soccer team at Oak, be a good role model, be nice and have good sportsmanship.

Shadya is 13 years old, has a younger sister and enjoys playing tennis drawing, listening to music, and belonging to many clubs. Shadya said, "The best things about Oak Avenue are the great teachers, my teachers, the music we get to listen to at lunch and the fun activities." The best thing that ever happened was going to Lebanon to see all her family. Personal goals are to stop war, build homes for the homeless, get into a good college or university, become a good tennis player, and to remain involved in her clubs.
