DECEMBER 13, 2011 TUESDAY 12:00 P.M. VOL. 73 NO. 11

THIS TUESDAY

No meeting at the Bahooka. I know you are sad but try to get over it.

We will be having our annual club Christmas Party at Steve and Lisa Montesanti's home. Come join us on December 13 for our Annual Christmas Party at Steve and Lisa Montesanti's home. Social hour at 6 p.m. and dinner at 7 p.m.. For \$15 you can have beer, wine, soft drinks, beef and chicken catered by Dave Seltman. You are encouraged to bring a gift card to give to a family at Ronald McDonald House.

LAST TUESDAY

Tony Euredjian did a three-peat with his presentation on sleep apnea. The video's were actually kind of scary. As I was watching the person struggling and gasping for air I kept wanting to say "take a breath."

Our best wishes to Chuck Shaw. He is having his stint repaired. He probably had an anxiety attack after seeing his prize El Camino returned to him in one piece from Mike Miller. Sock-O-Rama including toothbrushes and toothpaste. We want to break our record 168 items donated last year. Please do your part and fill Henry's homemade sock. Reports are that we have more than 100 already.

The Kiwanis Club of Pasadena and Kiwanis Rose Float Club of Pasadena will present Kiwanis International President Alan Penn at their Interclub Luncheon. Friday, December 30 from 11:30 to 2 p.m. at the University Club, 175 N Oakland. Cost is ONLY \$45 a copy. See President Rich if you can afford to.

Our club distributed 36 turkeys to needy families throughout the school district. A big thank you to President Rich Wenzel for paying for 17 of the turkeys.

STUDENTS OF THE MONTH

We honored two students from Cloverly Elementary School and two students from Oak Avenue Intermediate School. Pictured with the proud students are teachers Jason and Katie Rose. Jason from Oak and Katie from Cloverly. Riley is also the daughter of Jason and Katie.

Nagi is 13 years old, has an older brother and enjoys playing basketball and football, photography, and learning about culinary arts. Nagi said, "The best things about Oak are the family-like environment, multiple clubs, after school activities, and the close bond between teachers and students." The best thing that ever happened was migrating here from the Philippines and getting an opportunity to attend the distinguished Temple City schools. If he could build one thing it would be a meaningful and substantial education for the improvement of mankind. Personal goals are to obtain straight A's as a final quarter grade, attend a good college, and establish a career as a chef.

Sandra is 13 years old, has an older brother and enjoys playing basketball, taekwondo, photography, arts and crafts, playing piano, cooking, and soccer. Sandra said, "The best things about Oak are the teachers are awesome and make learning interesting, my great friends, the comforting environment, the electives and clubs are exciting." The best thing that ever happened was going to Tech Trek, a science and math camp for 7th graders. If she could change one thing it would be to help endangered animals. Personal goals are to build a rover that is capable of going to very distant planets, go to a prestigious college and major in science, to pass all her classes, and to graduate as valedictorian at least once in her life.

Riley is 11 years old and in Mrs. Tenney's class. Riley has a younger sister and enjoys playing softball, soccer, dancing, and singing. Riley said, "The best things about Cloverly are seeing my friends, doing art, and P.E." The best thing that ever happened was getting an iPod from her parents. If she could build one thing it would be a soccer stadium. Personal goals are to build a safe house for animals and keep them in their natural habitat, to continue to do good in school, be a great singer, and become a great athlete.

Melissa is 11 years old and in Mrs. Wenzel's class. Melissa has two older brothers and enjoys reading, drawing, Sudoku, making lanyards, baking and cooking. Melissa said, "The best things about Cloverly are all the science experiments, orchestra, and all the murals around the school." The best thing that ever happened was learning to read. If she could change one thing it would be to provide more funds for fine arts and music programs. Personal goals are to build a soup kitchen, construct a museum about all things art and music, have compassion, passing the Algebra test in June, and read all the good fiction books in the library.

KIWANIS KALANDAR
