THIS TUESDAY

We really don't have a program so we will be spending a little time discussing plans for 2010. We might also be visited by Cal-Nev-Ha Governor Elect Tom Millham.

LAST TUESDAY

Sue Matchett gave us part two of her trip to Israel. Sue is a really good tour director for our club as she pointed out many interesting bits of history.

Sue's invited guests were Janelle Fisher, Beth Ortega, and her son Jonathan.

We were visited by 4 Key Clubbers. President Stella Yuan, Vice President Regina Lik, Secretary Kristi Hsiao, and Treasurer Angela Li. We are fortunate to have one of the best and active clubs in the Division.

President Steve passed out an information sheet for each member to complete for the Division Directory. Make sure you send completed information to Lt. Governor Jan Robertson.

Our best wishes go to Jackie Millham who had a fall at her home. She is doing better and a card was circulated for her.

Former member, President and Lt. Governor Bob Shepard reports that his wife Rose passed away in November from cancer. A card was circulated to offer our condolences.

Happy dollars were paid by John Chandler for his wedding anniversary. Steve Montesanti joined Kiwanis December 17, 1985. A recovering Chuck Souder and Pam Shaw give greetings. Sydney Tyler went on the Ellen Degeneres show and won all kinds of neat stuff including a \$3,000 mattress. Sydney reports good days and bad days. This was one of the better ones.

LUNCH FOR \$45

Kiwanis International President Paul Palazzolo will host a Luncheon at the University Club at 175 N Oakland on Wednesday, December 30th from 11:30 a.m. to 2:00 p.m. RSVP to Craig Wallace @ 626 449-3466, Ext. 241.

Editorial: I am sure that President Paul will want to take credit for the beautiful float traveling down Colorado Blvd even though International does not want to pay for it any more. They seem to be very happy letting Cal-Nev-Ha fund this international event. Kudos to the hundreds of Key Club members who donate their time to the builder. We are able to have a float at about 1/4th the cost of the normal commercial float because the builder is using our Key Clubbers and others to build his other floats. The normal float cost \$250,000. Our cost \$54,000. We build lives and we build floats! Kudos to Division 10.

CAN YOU IDENTIFY THIS PHOTO?

The photo to the right is Christmas time circa 1957 at Cloverly Elementary School. There are 2 important people in this photo. Can you identify the ?? Prizes will possibly be awarded. A Clue: It only took 52 years, but he got his man.

TEMPLE CITY SENIOR CITIZENS

The following is a letter from Van Van Houten, President of TC Seniors.

"The Temple City Senior Citizens wish to thank you all for including us in your annual Christmas party for the Maryvale Orphanage. It was so very special and we all felt so blessed to have been part of it. The food, entertainment, the joy of the children, and the pleasure of your company were all wonderful. Kiwanis is a very special club and we applaud your continued support to the youth of Temple City and others."

ELMO BREGOLI

Kiwanis Member and School Board Member Matt Smith has requested an agenda item for the School Board to consider naming a building in memory of Elmo Bregoli. The meeting is Wednesday, January 6th at 7:00 p.m.. We would like to have many members there.

QUOTE OF THE WEEK

"The human brain is unique in that it is the only container of which it can be said that the more you put into it, the more it will hold." - Glenn Doman

I was never one for political correctness so Merry Christmas and see you Tuesday, Jerry
