

## **Kiwanis Honors Longden Students Alex Lu, Julia Lyons, and April Uchhigoshi**

Kiwanis Club of Temple City was pleased to have honored three students from Longden school at their meeting, January 28, 2003. Pictured with the proud students is teacher Mrs. Kristen McClure. All the students are in her 6<sup>th</sup> grade class.

**Alex** is 11 years old. He has an interest in playing with the computer, and playing basketball. The best things about school are: they have a good lunch, they have good teachers, and it's very safe. Alex said if he could change one thing, it would be "to change the school's bathroom to a cleaner one." Three personal goals Alex is striving for are "to be on the honor roll, to go to a good college, and to be a doctor." In his spare time he would also like to build a "time machine".

**Julia** is 12 years old. She has 3 brothers and sisters. Julia's hobbies are reading, dancing, fishing, and cheerleading. The three best things about school are: the nice and funny teachers, computer labs and programs, the great library and text books. The best thing that ever happened to Julia was being chosen to go on the tall ship trip. Three personal goals Julia is striving for are "to be a Marine Biologist, to go to Scripps College, and to get good grades."

**April** is 11 years old, and her hobbies are reading, playing handball, participating in art projects, and math. The three best things about school are: having nice teachers, a good academic program, and it's a fun place. The best thing that happened to April was achieving honor roll. Three personal goals April is striving for are "to do good in school, to travel to many places, and getting a good job."

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center.
