

Kiwanis Honors Cloverly Students Connie Van, and Allison Brocato

Kiwanis Club of Temple City was pleased to have honored two students from Cloverly School at their meeting, March 4, 2003. Pictured with the proud students is Mr. Ron Lee, 6th grade teacher at Cloverly School. Mr. Lee also gave a report from Mrs. Naylor, who is the teacher/advisor for K-Kids at Cloverly.

Connie is 11 years old and is in Miss Kristina Martemucci's 6th grade class. Connie's hobbies are reading books, and playing. The three best things about school are learning new things, meeting new people, and having fun. Connie said, "the best thing that ever happened to me was being chosen Student of the Month, because I never thought it would happen to me!". Three personal goals Connie is striving for are: getting into college, getting good grades, and making her parents happy.

Allison is 12 years old and is in Mr. Ron Lee's 6th grade class. Allison's hobbies and interest are reading books, playing piano, soccer, softball, and drawing. Allison said, "the best things about school are getting to see your friends every day, learning something new each day, and the teachers are really nice". If Allison could change one thing in this world, it would be "changing the way people think of each other, so they would all get along and appreciate each other". Three personal goals Allison is striving for are: to succeed in school, to be a better soccer player, to become a better artist, and piano player.
