

Kiwanis Honors Cloverly Students Sarah Pacino and Melissa Huang

Kiwanis Club of Temple City was pleased to have honored two students from Cloverly school at their meeting, April 1, 2003. Pictured with the proud students is teacher Mrs. Michelle Naylor.

Sarah is 11 years old and is in Mrs. Stoke's 6th grade class. Sarah likes dancing, Girl Scouts, and crafts. The best things about school are "Lunch! I love to eat, recess and talking to my friends, history, and my teacher is funny". Sarah said, "the best thing that ever happened to me was getting this award". Three personal goals Sarah is striving for are to improve her dance skills, having time for her brother to teach her to play the guitar, and earning money for a project with her group of friends to build a clubhouse.

Melissa is 12 years old and is in Mrs. Naylor's 6th grade class. Melissa's hobbies and interest are playing badminton, reading, and listening to music. The three best things about school are: the art projects, science labs, and reading. The best thing that ever happened to Melissa was getting her little brother. If she could change one thing in this world, it would be that President Bush had decided not to go to war with Iraq. Three personal goals Melissa is striving for are "to participate more, study more, and writing more descriptively".

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center. Each student and their teacher is our guest for lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat restaurant, and a photograph of them receiving the award.
