

## **Kiwanis Honors Emperor Students Eric Peng, Victoria Hsu, Kelly Sadamitsu**

Kiwanis Club of Temple City was pleased to have honored three students from Emperor school at their meeting, April 15, 2003. Pictured with the proud students is teacher Mr. Joe Turner.

**Eric** is 12 years old and is in Mr. Turner's 6<sup>th</sup> grade class. Eric likes to play legos, watch movies, play with his friends, video games, football, and basketball. The best things about school are: "school is fun, school is educating, and school lets you have special privileges". Eric said, "the best thing that ever happened to me was getting this award". If he could change one thing, it would be "no homework". Three personal goals Eric is striving for are to get good grades, to do well in science, and to improve his math scores.

**Victoria** is 11 years old and is in Mr. Giangregorio's 6<sup>th</sup> grade class. Victoria's hobbies and interest are basketball, football, reading, television, games, riding her bike, and hanging out with her friends. The three best things about school are: physical education, recess, and the fun experiments in class. If Victoria could build one thing, it would be "a huge sports stadium with an arcade, a library, and a telephone to invite her friends over with. Three personal goals Victoria is striving for are "to get smarter, to be better in physical activities, and overall, I want to be a better person".

**Kelly** is 11 years old and is in Ms. Carlson's 6<sup>th</sup> grade class. Kelly's hobbies and interest are soccer, listening to pop punk rock, playing the flute, and hanging out with her friends. The three best things about school are: her friends, the 6<sup>th</sup> grade teachers, and PACE. The best thing that ever happened to Kelly was when she received a medal for an All-Star soccer tournament. Three personal goals Kelly is striving for are "to be second chair flute in the band, to get into All-Stars again, and to keep all my grades the same as last time or better".
