

Kiwanis Honors Emperor Students Joanna Chang, Evaline Wang, James Chen

Kiwanis Club of Temple City was pleased to have honored three students from Emperor school at their meeting, May 13, 2003. Pictured with the proud students is teacher Mr. Joe Turner.

Joanna is 12 years old and is in Ms. Carlson's 6th grade class. Joanna likes to play volleyball and draw. Joanna said the best things about school are: "the math problems, the teachers because they are cool, and my best friends are at Emperor School". Joanna said, "the best thing that ever happened to me was when I learned to ride my bike without training wheels". If she could build one thing, it would be a machine that cures the virus SARS. Three personal goals Joanna is striving for are to become a better reader, to be more organized, and to be more athletic.

Evaline is 12 years old and is in Mr. Giangregorio's 6th grade class. Evaline's hobbies and interest are playing basketball with her friends, and watching TV. The best thing that ever happened was being accepted to the California Music Convention to perform. The three best things about school are: P.E., friends, and learning new things. Three personal goals Evaline is striving for are "to get on the basketball team at Oak Avenue school, to get into honor algebra in junior high, and make new friends in the future".

James is 12 years old and is in Mr. Turner's 6th grade class. James hobbies and interest are basketball, reading, and listening to music. The three best things about school are: socializing, learning new things, and making new friends. The best thing that ever happened to James was when the Temple City All-star boys Division "B" won the Southern California basketball tournament. Three personal goals James is striving for are "to get good grades, being a better basketball player, being a better clarinetist".
