

Kiwanis Honors Longden Students Jessica Marrero and Alex Arceo

Kiwanis Club of Temple City was pleased to have honored two students from Longden school at their meeting, May 27, 2003. Pictured with the proud students is 6th grade teacher, Mr. Bruce Bremer.

Jessica is 12 years old and is in Mr. Bremer's 6th grade class. Jessica loves to play basketball, baseball, and art. The best things about school are: spelling, math, and science. Jessica said, "the best thing that ever happened to me was when I went on a bowling field trip". If Jessica could change one thing, it would be to stop dogs from barking. If she could build one thing, it would be a house for her dog. Three personal goals Jessica is striving for are "to be a better reader, be able to sing, and to go to Oak next year".

Alex is 11 years old and is in Mr. Bremer's 6th grade class. Alex's hobbies and interest are art, football, and building clubhouses in the backyard. The three best things about school are: the nice teachers, computer lab, and the clean campus. If Alex could change one thing in this world, it would be to have cleaner streets. Three personal goals Alex is striving for are "to do better in reading and math, getting promoted to 7th grade, and to be a better speller".

An added treat was having the Pasadena Kiwanis Club visiting with us to witness the students receiving their awards. Also in attendance were past Kiwanis Governor for California, Nevada, and Hawaii, Mr. Reed Allen. Past Lt. Governor Mel Smith. Incoming Lt. Governor Craig Wallace.

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center. Each student and their teacher is our guest for lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat restaurant, and a photograph of them receiving the award.
