

## **Kiwanis Honors Emperor Students Brian Asher, Michelle Tsui , and Megan Scott**

Kiwanis Club of Temple City was pleased to have honored three students from Emperor school at their meeting, November 4, 2003. Pictured with the proud students is teacher, Ms. Krista Carlson

**Brian** is 12 years old and is in Ms. Carlson's 6<sup>th</sup> grade class. Brian enjoys playing chess, because it is challenging and makes him think of a strategy. The three best things about school are "everybody knows everybody, we have discipline codes and rules to solve problems, the school is strong in academics, the staff are nice and they teach us well". Personal goals Brian is striving for are to graduate from college, become a plastic surgeon, to be successful in life and to be a role model for everyone.

**Michelle** is 11 years old and is in Mr. Giangregorio's 6<sup>th</sup> grade class. Michelle enjoys science, playing the violin, and ballet. The best things about school are "it's smaller than most schools, and I feel safer in a small school, the teachers care for us individually, and the campus is clean". The best thing that ever happened to Michelle was when she went to Jamaica with her family. Personal goals she is striving for are controlling her stress, and always being the best she can be.

**Megan** is 11 years old and is in Mr. Turner's 6<sup>th</sup> grade class. Megan enjoys taking care of animals. The three best things about school are math, science, and reading. Megan thought the best thing that ever happened to her was receiving an early birthday present, a St. Bernard dog. Personal goals Megan said she is striving for are "to get straight A's, and to take better care of my animals".
