

Kiwanis Honors Longden Students

Sarah Sunarto, Anna Cheung, and Frank Hsieh

Kiwanis Club of Temple City was pleased to have honored three outstanding students from the Longden Elementary School at their meeting, November 25, 2003. Pictured with the proud students their teacher, Mrs. Ellen Laughlin. Our club also had an interclub the San Gabriel Kiwanis Club.

Sarah is 11 years old and has two brothers. Sarah enjoys going on the internet, chatting with friends, talking on the phone, and getting help with her basketball from her brother. The three best things about school are “the teachers, my friends, and lunch”. The best thing that ever happened to Sarah was when she got her dog, “Jay Brown”. Three personal goals she is striving for are to get straight A’s in all her report cards, to be at better reading level, and to learn more about Jesus Christ.

Anna is 11 years old and has a brother and sister. Anna enjoys drawing and reading. The best things about school are “there’s so many good teachers, the big playground, and the library has so many books”. Anna said, “the best thing that ever happened to me was when my father bought a computer for my sister and me last year, and taught us how to use it”. Three personal goals Anna is striving for are to complete a degree course at UCLA, to be a lawyer, and to find a high paying job.

Frank is 11 years old and has a sister. Frank enjoys playing basketball and handball. The best things about school are “art, math, and English. Frank said, “the best thing that ever happened to me was when I became a basketball player”. Two personal goals Frank said is striving for are “to be President of the United States, and to get better grades on my report cards”.
