

Kiwanis Honors Emperor Students Jimmy Du and Kenny Tong

Kiwanis Club of Temple City was pleased to have honored two students from Emperor school at their meeting, April 6, 2004. Pictured with the proud students is 6th grade teacher, Ms. Krista Carlson.

Jimmy is 11 years old and is in Mr. Turner's 6th grade class. Jimmy likes to play basketball, read comics on the internet, and solve math problems. The best things about school are the playground equipment, the helpful teachers, and there is a lot of classroom equipment. The best thing that ever happened was when he received a 100 in math for the first trimester. Personal goals Jimmy is striving for are to get straight A's in the third trimester, to get better at basketball, and to get a better time in the mile.

Kenny is 12 years old and is in Ms. Carlson's 6th grade class. Kenny enjoys drawing, the teachers, the subjects, and the students. Kenny said, "if I could change one thing, it would be environment, because of the trash on the streets". If he could build one thing, it would be a school so that he could give an education to kids in an orphanage. Personal goals Kenny is striving for are to get good grades on his third trimester tests, and to be able to pass the 6th grade.

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center. Each student and their teacher is our guest for lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat restaurant, and a photograph of them receiving the award.
