

Kiwanis Honors Emperor Students Kyle Szeto, Mimi Chiang and Crystal Huang

Kiwanis Club of Temple City was pleased to have honored three students from Emperor school at their meeting, May 11, 2004. Pictured with the proud students is Vice-Principal, Mrs. Trang Lai.

Kyle is 11 years old and is in Mr. Giangregorio's 6th grade class. Kyle is interested in watching TV and playing video games. The best things about school are playing board games during recess, being able to borrow 3 books in the library, and going on field trips. The best thing that ever happened was when he got his dog. Personal goals Kyle is striving for are to get straight A's, to make a lot of money when he grows up, and to have many friends.

Mimi is 11 years old and is in Mr. Turner's 6th grade class. Mimi enjoys reading, the library, computer lab, and the teachers. The best thing that ever happened to Mimi was when she left her violin at school over the Spring Break and found it in the office. If she could change one thing, it would be to have more books in the library. Personal goals Mimi is striving for are to get better at writing, to be a top violinist, and to go to a really good University. When asked, she suggested Cal-Tech.

Crystal is 11 years old and is in Ms. Carlson's 6th grade class. Crystal enjoys basketball, drawing, playing video games, and skating. The best thing about school are lunch, friends, and the wonderful teachers. The best thing that ever happened was getting good grades and getting her first Presidential Fitness Award. If she could change one thing, it would be to have better lunches at all the schools. Personal goals Crystal is striving for are to get on the basketball team, having good grades, and to improve her violin and piano skills.
