

Kiwanis Honors Cloverly Students Michael Quinones and Victoria Nguyen

Kiwanis Club of Temple City was pleased to have honored two outstanding students from Cloverly Elementary School at their meeting, December 7, 2004. Pictured with the proud students is Cloverly teacher, Mrs. Kristina DeViscio.

Michael is 11 years old and is in Mr. Lee's 6th grade class. Michael enjoys playing baseball and soccer. Michael said, "the three best things about school are having a funny math teacher, the fun science projects, and having really good friends." The best thing that ever happened to Michael was when he was a Super Star in the 4th grade and his mom went to the recognition breakfast with him. Michael's goals are to get straight A's in reading, to get good scores in CAT 6 testing, and making it to the AYSO soccer all stars.

Victoria is 11 years old and is in Mrs. DeViscio's 6th grade class. Victoria enjoys collecting coins, basketball, badminton, movies, computer, and reading mystery and fantasy books. The best things about school are having a nice principal and staff members, the different subjects they learn, the playground equipment and computers. The best thing that ever happened to Victoria was when her baby sister was born. Three personal goals Victoria is striving are to become a family doctor, get into a good college and get good grades, and to be able to take care of her parents in return.

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center. Each student and their teacher is our guest for lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat restaurant, and a photograph of them receiving the award.
