

## **Kiwanis Honors CLC Students Breanne Mochan, Juliane Privette, Amy Terrones, and Alex Terrones**

Kiwanis Club of Temple City was pleased to have honored four outstanding students from the Community Learning Center at their meeting, January 25, 2005. Pictured with the proud students is their teachers, Mr. Blair Helberg and Carolyn Roozee. Principal Dr. Doug Sears was also in attendance.

**Breanne** is 16 years old and enjoys music, movies, and going out with her friends. The three best things about the CLC are the teachers, earning her credits, and learning about herself. The best thing that ever happened was becoming a Student Of The Month. If Breanne could build one thing, it would be a house for all the unfortunate children. Personal goals she is striving for are to graduate from CLC, to go to college, and to get a car.

**Juliane** is 16 years old and has one older sister. Juliane enjoys the beach and museums. The best things about school are the nice staff, the clean and safe environment. The best thing that ever happened to Juliane was going to the CLC so she could catch up on credits in order to graduate and become successful in life. Three personal goals Juliane is striving for are to graduate, own a home, to become a psychologist and be successful.

**Amy** is 15 years old and has two younger brothers. Amy enjoys music, talking on the phone, being with friends and family, eating, and collecting "Love is..." comic strips from the newspaper. The best things about school are the teachers, friends, and basketball. The best thing that ever happened to Amy was getting her learners permit, and having the best family ever. Three personal goals Amy is striving for are to do good in school, go to college, and be the best in everything she does.

**Alex** is 15 years old and enjoys basketball and music. The best things about school are the teachers, sports, and band. The best thing that ever happened to Alex was when he visited his family in Sweden. Three personal goals Alex is striving for are to finish school, go to college, and become a famous drummer.
