

Kiwanis Honors Cloverly Student Nicole Hau

Kiwanis Club of Temple City was pleased to have honored an outstanding student from Cloverly Elementary School at their meeting, March 1, 2005. Pictured with the proud student is Cloverly teacher, Mr. Ron Lee.

Nicole is 11 years old and has a younger sister. She is in Mr. Lee's 6th grade class. Nicole enjoys swimming, reading, and traveling. The best things about school are the wonderful teachers, the library, and her friends. The best thing that ever happened to Nicole was when she went to San Diego for a swim meet. Nicole's goals are to build a teleporter to get people to their destination quicker, and to make it to the sectional swim team this summer by improving her times.

A big "Thank You" to all who attended our 9th Annual Pancake Breakfast. We served almost 400 happy people before the parade. The funds derived are used to help support Temple City youth groups throughout the year. Thanks also to Dana and Cheri Baskin who helped us advertise to the community.

David Tran was our featured program again Tuesday. He gave us a glimpse of what it was like to escape the Vietnamese communist in 1975 when he was 18 years old. He recalled very vividly the struggles of being a "boat person" for 26 days. He also brought photos, some of them dating back to 1912.

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center. Each student and their teacher is our guest for lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat restaurant, and a photograph of them receiving the award.

Temple City Kiwanis has been serving our community since 1939. Our members are dedicated men and women who desire to make a difference in the quality of life for the Youth of Temple City. We meet 12:00 noon each Tuesday at Sir George's Restaurant. To find out more about Kiwanis please call Bob Tyler at (626) 285-6558.
