

Kiwanis Honors Emperor Students Andrew Bae, Rebecca Atmadja, Monica Cano, and Tracy Shen

Kiwanis Club of Temple City was pleased to have honored four outstanding students from Emperor Elementary School at their meeting, April 12, 2005. Pictured with the proud students is Emperor super teacher, Mr. Greg Giangregorio.

Andrew is 12 years old and is in Ms. Singer's 6th grade class. Andrew has one younger brother and is interested in basketball, drawing, games, tennis, football, and reading. The best things about school are the great teachers, the responsibility, and cleanliness. Personal goals he is striving for are to be the best he can be, do better at school, and to be more careful with his actions.

Rebecca is 12 years old and is in Ms. Carlson's 6th grade class. Julianna has two sisters and enjoys swimming, talking, doodling, reading, and opening presents. Rebecca said, "the three best things about school are the great Principal and teachers, and the fabulous friends I have". Rebecca stated the best thing that ever happened to her was coming to America from Indonesia when she was 7 years old. Personal goals she is striving for are to finish reading the Bible, always tell the truth, even if in trouble, and to not be selfish and care more about others.

Monica is 12 years old and is in Mr. Giangregorio's 6th grade class. Monica has an older brother and enjoys drawing, swimming, reading, hiking, camping, and gardening. Monica said, "the best things about Emperor School are the great teachers, the outstanding Principal, and learning environment". The best thing that ever happened to Monica was going to Sea World Adventure Camp. Personal goals are to build a huge library, get straight A's, become a Marine Biologist, and to work at Sea World in San Diego.

Tracy is 11 years old and is in Mr. Turner's 6th grade class. Tracy enjoys ballet, reading, stretching, badminton, playing DDR, and her friends. Tracy also gave us a demonstration of her ballet skills. Tracy said, "best things about school are the fun Spirit Days, the teachers are wonderful and fun, and everyone here is nice and polite". The best thing that ever happened to Tracy was her first ballet performance when she was 7 years old. Personal goals are to get straight A's, do good on the Cat6, and to be successful at dancing.

As we have Emperor school visit us once a month, one thing seems to re-appear as students give their comments. Emperor is a fun place to learn, the campus is clean and safe, the students are respectful of one another, and of course, the Principal, teachers, and staff are top notch and dedicated to creating a great learning environment. Congratulations Emperor. A California Distinguished School!!

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center.
