

## **Kiwanis Honors CLC Students Andrew Ramirez and Jacky Yang**

Kiwanis Club of Temple City was pleased to have honored two outstanding students from the Community Learning Center at their meeting, April 26, 2005. Pictured with the proud students are Mr. Rod Kingry and Dr. Doug Sears.

**Andrew** is 15 years old and has two sisters, he enjoys drawing. Sean said, "the best thing about school is it gets me out of the house, it's short, and it gives me something to do". The best thing that ever happened was when he spent three weeks at his friends house in San Luis Opispo. Personal goals Sean is striving for are to get his driver's license, get a job, and to graduate from high school.

**Nicolette** is 13 years old and has three brothers and sisters. Nicolette enjoys soccer and ballet. The best things about school are reading, history, and P.E.. If Nicolette could build one thing, it would be a car that gets really good gas mileage and seats at least 8. Three personal goals she is striving for are to get good in math, go to college early, and be a pediatrician or a nurse. Nicolette's parents and 8 month old brother were also in attendance to witness Nicolette receiving her honors.

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center. Each student and their teacher is our guest for lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat restaurant, and a photograph of them receiving the award.
