

Kiwanis Honors Longden Students Samantha Elias and Daniel Morris-Ruckett

Kiwanis Club of Temple City was pleased to have honored two outstanding students from Longden Elementary School at their meeting, May 24, 2005. Pictured with the proud students is their teacher, Mr. Bruce Bremer.

Samantha is 11 years old and has four brothers and sisters. Samantha enjoys cheerleading and the computer. The best things about school are her friends, the education she receives, and recess. The best thing that ever happened to Samantha was going to Sea World with her cheerleading group. Samantha would like less homework, a big house, graduate the 6th grade, receive A's in spelling, and be a better reader.

Daniel is 10 years old and seems to be content being the only child in his house. He enjoys computer games and bike riding. Daniel thinks the best things about school are the great teachers the large playground, and it's easy. The best thing that ever happened was going to Sea World in Florida and San Diego. Daniel's personal goals are to get more toys, build a laboratory, get a Polar Express Train, build a giant robot car, and to become a lawyer.

Temple City Kiwanis Club is pleased each week to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, and the Community Learning Center. Each student and their teacher is our guest for lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat restaurant, and a photograph of them receiving the award.
