**Leland** is 18 years old, has a younger brother, and enjoys hanging out with his friends, learning new and interesting things that he can use in life. Leland said, "the best things about school are it provides a safe learning environment, there are less people in a class so it is easier to learn, everyone respects and treats each other fairly." Personal goals Leland is striving for is to graduate from High School, to help his family with paying the bills, and to be able to find what he wants to be in life.
