Kiwanis Club of Temple City was pleased to have honored three outstanding students from Longden Elementary School on April 25, 2011. Pictured with the proud students is their teacher, Mrs. Clarice Acosta.

Alma is 11 years old and has a younger sister. She enjoys reading, playing with her sister and hanging out with her friends. Alma said, "The best things about Longden are my friends, teachers, and Science." The best thing that ever happened was going to Mexico to visit her grandparents. Personal goals are to end all the wars, build a statue of herself, become an astronomer, get good grades all the time, and attend USC.

Winston is 12 years old and has an older sister. He enjoys playing video games. Winston said, "The best things about Longden are the excellent teachers, amazing playground, and fun classes." The best thing that ever happened was getting his PS3. Personal goals are to build a giant mansion for his family and friends, get straight A's for a final report card, improve in Math, and learn to edit videos.

Jacob is 12 years old and enjoys watching TV and playing video games. Jacob said, "The best things about Longden are my teachers, recess, and P.E." The best thing that ever happened was going to Universal Studios. Personal goals are to build a rocket for NASA to fly in outer space, be on the honor roll, to do better in Math, and to be good at sports.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, and the Dr. Doug Sears Learning Center.
